Jason's Deli Ad Request Portal Instruction

The Jason's Deli Employment Ad Request Portal is a partnership with Self Opportunity, Inc., a valued recruitment advertising vendor partner of Jason's Deli for the past 18 years, supporting both franchise and corporate locations with their recruitment and talent acquisition needs for hourly and management candidates.

This instructional white page will guide you through the ad requesting process on the Jason's Deli Ad Request Portal.

Start by going to <u>www.postmy.jobs/jasonsdeli</u>, you will see the header shown above in this document.

The site is broken down into three main sections:

- Job Posting Options
- Contact Information
- Recruitment Campaign

Job Posting Options is the first section of the site. This section is displays the approved ad templates that will be used to post your recruitment campaign. *(Shown Below)* Clicking a template allows you to see the ad in more detail in a gallery window.

'Select position to be advertised' is a drop down menu where you select which position or comb positions to be advertised.

'Select Apply Method' Use this drop down menu to choose if the campaign will have either an 'Email' or 'Career Site' call to action, a corresponding field will populate to receive the call to action.

Note: Traditionally we see a larger applicant flow for an email call to action but a career site call to action is and option.

Additionally, if 'Email' is selected, you may enter multiple emails to receive applications. Separate with a semicolon. If 'Career Site' is selected it's advised that you provide a link that guides the potential candidate as far into the apply process as possible to avoid candidate drop off.

'Choose a Store' is required for billing reference. Should you be advertising for a group of stores in close radius to one another simply choose one, the others may be listed in the 'Notes' section at the bottom of the form if needed. <u>The store number will not be referenced in the ad copy.</u>

'Target candidates in this location' is a group of fields; 'City' 'State' 'Zip/Postal Code' to be used as the location where the ads are placed.

If you are advertising for a group of stores, pick a central Zip Code or a location where you would expect your target candidates to live.

'Posting Options' Choose any combination of options below

Indeed (10 days) +\$165.00 Zip Recruiter (30 days) +\$125.00 Facebook Sponsored Ad (14 days) +\$145.00 Monster (30 days with 14 day refresh) +\$185.00 Monster Premium (30 days with 7 day refresh) +\$300.00 Careerbuilder (30 days) +\$185.00 JuJu (30 days) +\$125.00 Craig's List + Market Cost (30 days) +\$20.00

If a select seems off for any reason or if after submitting we see that you campaign might be more successful we may reach out to discuss the options, if at that time you stick you your choices we will move forward. We do not consider this form a one way communication and periodically make suggestions to improve your campaigns success.
